

**UCEC**

University of California  
Educational Evaluation Center

## Summer Institute for Training in Educational Evaluation Application

### **1. Research Statement**

*At the UCEC Summer Institute for Training in Educational Evaluation, students will have the opportunity to meet and share their individual research interests with UC professors and other graduate students. Please describe a current research topic or project that you would like to discuss with UC experts during the Institute in 250 words or less (approximately 2000 characters).*

*Your statement should be clearly written and understandable by a person outside your own area of specialization. Do not include endnotes or footnotes.*

*Note that references, spaces, and punctuation count against the character limit.*

## **2. Personal Statement**

*In no more than 500 words (approximately 4000 characters), please discuss your interest in participating in the UCEC Summer Institute. Highlight any academic accomplishments that are related to educational evaluation/research (e.g., coursework, conference presentations, publications, or professional activities). Discuss how you intend to use evaluation in your career. Your statement should be clearly written and understandable by a person outside your own area of specialization. Do not include endnotes or footnotes.*

*Note that references, spaces, and punctuation count against the character limit.*

### 3. Applicant Contact Information

Full Name (Last, First, MI):
