

University of California
Educational Evaluation Center

2014 Research on Evaluation Student Competition

Please note the following prior to proceeding:

Contact information must be provided for EVERY person listed on the proposal. Each person listed must have an affiliation (where one works or studies) and, at a minimum, an email address. Incomplete submissions, including those missing contact information, will not be considered.

1. Proposal Title

2. Abstract

Describe the study purpose, research questions, methods, and relevance in 150 words or less (approximately 1200 characters).

Note that spaces and punctuation count against the character limit.

3. Relevance Statement

In no more than 500 words (approximately 4000 characters), address the study's relevance and importance, its implications for theory or practice, how it contributes to ROE. State how the study adds to knowledge in the field and reflects relevant standards of quality in theory, methods, or practice.

Note that spaces and punctuation count against the character limit.

4. References/Citations

Provide complete APA citations used in the relevance statement below. The word/character limit does not apply in this section.

5. First Author Contact Information

Name:

UC Campus:

Email Address:

Phone Number:

.....

6. Second Author Contact Information

Name:

UC Campus:

Email Address:

Phone Number:

.....

7. Additional Author Contact Information

If other authors should be acknowledged for this proposal, identify each person's full name, campus affiliation, email, and phone number below in the order that they should appear.

.....

**Thank you for submitting a proposal to the
2014 UCEC Research on Evaluation Student Competition.**
